Visiting Associate

Beschreibung

As a **Visiting Associate**, you will gain initial experience during a two to three month internship. The focus here is on actively getting to know the day-to-day work of a consultant: from day one you will be given your own tasks, which you will work on in collaboration with our clients and under the guidance of a consultant colleague.

Zuständigkeiten / Hauptaufgaben

- Exciting tasks in the mobility and logistics industry
- Familial working atmosphere in small teams, great team spirit and short paths with mutual inspiration and further development across all levels of experience
- Intensive coaching from a consultant colleague
- Attractive compensation compared to competitors
- Partial digital/ remote working from home office (depending on project)
- In case of convincing performance: contract offer provided that you will successfully complete your Bachelor's studies

Qualifikationen / Anforderungen

- Enrollment at least in the 5th semester of your Bachelor's studies
- Excellent academic achievements
- Interest and enthusiasm for the mobility and logistics industry
- Very good command of German and English
