Associate

Beschreibung

Have you already completed a doctorate, Master's or diploma studies? Then you start as an **Associate**. Here, too, the focus of your consultant training is on acquiring the basic "consulting skillset" through intensive coaching "on the job" and an accompanying training programme. In addition, you will contribute your advanced academic skills and experience to the success of the project and systematically build up specialist knowledge of sustainable transport and mobility. After 2 years, we offer you the opportunity to complete an MBA programme with financial support from OakTree.

Zuständigkeiten / Hauptaufgaben

- Exciting tasks in the mobility and logistics industry
- Familial working atmosphere in small teams, great team spirit and short paths with mutual inspiration and further development across all levels of experience
- Intensive coaching from a consultant colleague and tailor-made training programme
- Attractive compensation compared to competitors

- Partial digital/ remote working from home office (depending on project)

- After 2 years: possibility of financial support for your MBA/ doctoral studies

Qualifikationen / Anforderungen

- Completed doctoral, Master's or Diploma degree

- Excellent academic achievements

- Interest and enthusiasm for the mobility and logistics industry

- Very good command of German and English
